

CDFA ANNOUNCES VACANCY ON
THE VERTEBRATE PEST CONTROL RESEARCH ADVISORY COMMITTEE

SACRAMENTO, February 6, 2017- The California Department of Food and Agriculture's Integrated Pest Control Branch is announcing a vacancy on the Vertebrate Pest Control Research Advisory Committee. The Committee makes recommendations to the CDFA secretary on all matters pertaining to vertebrate pest control research.

The term of office for a Committee Member is unlimited. The Members receive no compensation, but are entitled to payment of necessary traveling expenses in accordance with the rules of the Department of Personnel Administration. Members are considered public officials and must be willing to comply with necessary disclosure requirements.

The vacancy is for an agricultural industry representative. Applicants should have an interest in agriculture and vertebrate pest control. Individuals interested in being considered for a committee appointment should send a brief resume by April 2, 2017 to the California Department of Food and Agriculture, Integrated Pest Control Branch, 3294 Meadowview Road, Sacramento, California 95832, Attention: Sara Banchemo.

For additional information, visit the Committee web page at: <http://www.vpcrac.org/>; or contact: David Kratville, Senior Environmental Scientist with the Integrated Pest Control Branch at (916) 262-1102, by fax (916) 262-2020, or e-mail David.Kratville@cdfa.ca.gov.
